SEC. 845. DEPARTMENT OF DEFENSE OPERATIONAL CONTRACT SUPPORT PLAN.

The Secretary of Defense shall develop and implement a plan to address shortfalls in operational contract support requirements determination, management, oversight, and administration. The plan shall include each of the following:

(1) The provision of operational contract support training and information-sharing roadmaps, including a description of the roles and responsibilities of the Office of the Secretary of Defense, the Joint Staff, the military departments, and defense agencies.

(2) The identification and development of training venues to incorporate appropriate operational contract support training and education for all operational contract support functions in both acquisition and non-acquisition roles.

(3) The integration of operational contract support into Department of Defense exercises and experiments.

(4) Updating and aligning Department of Defense policy, doctrine, joint capability area definitions, corresponding universal joint task lists, and agreements to address shortfalls as discrepancies in areas of operational contract support.

(5) A method of ensuring that sufficient capacity and capability to conduct operational contract support missions is addressed in the total workforce plan required by section 129a of title 10, United States Code, as amended by this Act.
