**AMENDMENT TO H.R. 6063, AS REPORTED
OFFERED BY MS. HARMAN OF CALIFORNIA**

In title XI, add at the end the following new section
(and amend the table of contents accordingly):

**1 SEC. 1109. SENSE OF CONGRESS REGARDING THE NEED
2 FOR A ROBUST WORKFORCE.**

3 It is the sense of Congress that—

4 (1) a robust and highly skilled workforce is crit-
5 ical to the success of NASA's programs;

6 (2) voluntary attrition, the retirement of many
7 senior workers, and difficulties in recruiting could
8 leave NASA without access to the intellectual capital
9 necessary to compete with its global competitors;
10 and

11 (3) NASA should work cooperatively with other
12 agencies of the United States Government respon-
13 sible for programs related to space and the aero-
14 space industry to develop and implement policies, in-
15 cluding those with an emphasis on improving
16 science, technology, engineering, and mathematics
17 education at all levels, to sustain and expand the di-
18 verse workforce available to NASA.
