Page 17, strike “and” after the semicolon at line 2, strike the period at line 9 and insert “; and”, and after line 9 insert the following:

1                   “(G) the best estimate, based upon com-  
2                   mercial and scientific data, of the expected in-  
3                   crease in domestic production of geothermal,  
4                   solar, wind, or other renewable energy sources  
5                   on lands defined as ‘available lands’ by section  
6                   203 of the Hawaiian Homes Commission Act,  
7                   1920, and any other lands deemed by the Terri-  
8                   tory or State of Hawaii, as the case may be, to  
9                   be included within that definition.
