

**AMENDMENT TO THE COMMITTEE PRINT  
OFFERED BY MS. SLAUGHTER OF NEW YORK**

In title I, subtitle C, add at the end the following  
new section:

**1 SEC. 135. INTERMITTENT ESCALATORS.**

2 Section 543 of the National Energy Conservation  
3 Policy Act (42 U.S.C. 8253) is amended by adding at the  
4 end the following new subsection:

5 “(e) INTERMITTENT ESCALATORS.—

6 “(1) REQUIREMENT.—Except as provided in  
7 paragraph (2), any escalator acquired for installa-  
8 tion in a Federal building shall be an intermittent  
9 escalator.

10 “(2) EXCEPTION.—Paragraph (1) shall not  
11 apply at a location outside the United States where  
12 the Federal agency determines that to acquire an  
13 intermittent escalator would require substantially  
14 greater cost to the Government over the life of the  
15 escalator.

16 “(3) ADDITIONAL ENERGY CONSERVATION  
17 MEASURES.—In addition to complying with para-  
18 graph (1), Federal agencies shall incorporate other

1 escalator energy conservation measures, as appro-  
2 priate.

3 “(4) DEFINITION.—For purposes of this sub-  
4 section, the term ‘intermittent escalator’ means an  
5 escalator that remains in a stationary position until  
6 it automatically operates at the approach of a pas-  
7 senger, returning to a stationary position after the  
8 passenger completes passage.”
