**1 SEC. 199. STUDY OF NATIONAL FEED-IN TARIFF.**

2       By not later than January 1, 2011, the Secretary of  
3 Energy shall study, and transmit to the Congress a report  
4 on, the feasibility of implementing a national feed-in tariff  
5 policy for renewable electricity generation. Such study  
6 should examine the direct costs of implementing such a  
7 policy, and the effects of such a policy on the environment,  
8 the deployment of renewable energy, the economy and the  
9 creation of jobs, and electricity rates for consumers.
