

**AMENDMENT 2 TO H.R. H. R. 3585 AS REPORTED
OFFERED BY MS. JACKSON-LEE OF TEXAS**

At the end of section 105(b)(3)(I) (page 15, at end of line 13), insert:

“particularly hospitals, universities, and public safety facilities.”

Thus new language would read

“promote overall electric infrastructure reliability and sustainability should grid functions be disrupted or damaged, particularly hospitals, universities, and public safety facilities.”
