

Amendment # 4 offered by Rep. McGovern

In Rule 8, clause (a), insert the following new paragraph at the end:

(3)(A) It shall not be in order to report a resolution providing for consideration of a measure unless such measure has been available to Committee Members for at least 24 hours.

(B) In the case of a resolution providing for an amendment in the nature of a substitute to be considered as original text, or providing that an amendment is to be considered as adopted, it shall not be in order to report such resolution until such amendment has been available to Committee Members for at least 24 hours.
