

U.S. House of Representatives

COMMITTEE ON THE BUDGET

Washington, DC 20515

May 31, 2013

The Honorable Pete Sessions
Chairman
Committee on Rules
H-312, The Capitol
Washington, D.C. 20515

Dear Mr. Chairman:

Yesterday you announced that the Committee on Rules will meet on June 3 to report a rule to govern the floor consideration of the first appropriations bills for fiscal year 2014. I am writing to ask that you include in that rule a provision providing for the enforcement of the concurrent resolution on the budget as passed by the House (H. Con. Res. 25) until such time as the House adopts a conference report on the budget for fiscal year 2014.

As you know, the budget passed by the House reduces spending by \$4.6 trillion and achieves balance in 2023 – all without raising taxes on the American people. In contrast, the budget resolution adopted by the Senate raises taxes by over \$900 billion, increases spending by \$265 billion, and never balances. While I continue to work with my Senate counterpart to find common ground, we have not yet been able to reach agreement.

Until such time as we are able to reach agreement and consistent with the practice in previous years when the House and Senate have been delayed in completing action on a budget resolution, I am asking that the rule include a provision that adopts the House-passed budget resolution as an interim budget enforcement measure that will allow the appropriations process to proceed without further delay.

Pursuant to the authority provided in the Congressional Budget Act of 1974 and in title VI of the House-passed concurrent resolution on the budget and consistent with longstanding practice, once the House passes the rule adopting the House-passed budget resolution, as the Budget Committee Chairman I intend to file the allocations and adjustments in the Congressional Record to put in force such concurrent resolution.

To ensure the Rules Committee and House members have full transparency on the budget levels that would be enforced, enclosed are the relevant budget aggregates and committee allocations that I will file if the House adopts the rule. The House-passed budget resolution was based on CBO February budget projections and estimates. The funding levels for global war on terror (GWOT)/overseas contingency operations (OCO) and for veterans programs were based on an extrapolation of the President's budget request from last year. Because the House acted on

the budget resolution before CBO had completed its updated budget projections and before the President had submitted his fiscal year 2014 budget request, the resolution provided authority for the Chairman to adjust the relevant levels in the resolution to reflect CBO's updated budget projections and the President's request for GWOT/OCO and veterans advance appropriations. The adjustments for CBO's updated baseline will be limited to changes due to updated technical estimates. Now that we have CBO's revised baseline projections and the President's budget request, it is possible to update the levels in the House-passed budget resolution to reflect this updated information. Enclosed are tables showing aggregate budget and committee allocations that will be used for budget enforcement purposes.

I want to emphasize that this is a request for an interim measure while the Committee on the Budget continues to work toward an agreement with the Senate on a budget resolution for the coming fiscal year. The nation's fiscal problems cannot be addressed solely through the appropriations process and the budget remains the critical vehicle for identifying a solution.

To ensure full transparency as to my intent should this request be granted, I ask that you include this letter and the enclosures in the Rules Committee's record of consideration of the rule. I appreciate your consideration. If there are any questions, please contact Paul Restuccia, Chief Counsel of the Committee on the Budget.

Sincerely,

Paul D. Ryan
Chairman
