5 provided by section 401 shall have no force or effect if
6 the Commission, by rule, adopts the inline XBRL format
7 (or a similar format) for corporate financial information

9 as of the date of enactment of this Act, and permits a

11 each financial statement once as a document and again

20 plicable accounting principles, and permits registrants to
21 file financial statements with embedded electronic tags.
