
PROVIDING FOR CONSIDERATION OF THE BILL (H.R. 3700) TO
PROVIDE HOUSING OPPORTUNITIES IN THE UNITED STATES
THROUGH MODERNIZATION OF VARIOUS HOUSING
PROGRAMS, AND FOR OTHER PURPOSES

February 1, 2016.—Referred to the House Calendar and ordered to be
printed.

MR. STIVERS, from the Committee on Rules, submitted the following

R E P O R T

[To accompany H. Res.]

The Committee on Rules, having had under consideration House
Resolution____, by a nonrecord vote, report the same to the House with the
recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 3700, the Housing
Opportunity Through Modernization Act of 2015, under a structured rule.
The resolution provides one hour of general debate equally divided and
controlled by the chair and ranking minority member of the Committee on
Financial Services. The resolution waives all points of order against
consideration of the bill. The resolution makes in order as original text for
the purpose of amendment an amendment in the nature of a substitute
consisting of the text of Rules Committee Print 114-42 and provides that it
shall be considered as read. The resolution waives all points of order against
that amendment in the nature of a substitute. The resolution makes in
order only those further amendments printed in this report. Each such
amendment may be offered only in the order printed in this report, may be
offered only by a Member designated in this report, shall be considered as
read, shall be debatable for the time specified in this report equally divided
and controlled by the proponent and an opponent, shall not be subject to
amendment, and shall not be subject to a demand for division of the question
in the House or in the Committee of the Whole. The resolution waives all
points of order against the amendments printed in this report. The
resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of clause 3(e)(1) of rule XIII ("Ramseyer"), requiring a committee report accompanying a bill amending or repealing statutes to show, by typographical device, parts of statute affected. The waiver is provided because the submission provided by the Committee on Financial Services was insufficient to meet the standards established by the rule in its current form. The Committee on Rules continues to work with the House Office of Legislative Counsel and committees to determine the steps necessary to comply with the updated rule.

Although the resolution waives all points of order against the amendment in the nature of a substitute made in order as original text, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution waives all points of order against the amendments printed in this report, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
