PROVIDING FOR CONSIDERATION OF THE BILL (H.R. 5325) MAKING  
APPROPRIATIONS FOR THE LEGISLATIVE BRANCH FOR THE  
FISCAL YEAR ENDING SEPTEMBER 30, 2017, AND FOR OTHER  
PURPOSES

---

June 8, 2016.—Referred to the House Calendar and ordered to be printed.

MR. WOODALL, from the Committee on Rules, submitted the following

R E P O R T

[To accompany H. Res. \_\_]

The Committee on Rules, having had under consideration House Resolution \_\_\_\_, by a record vote of 9 to 2, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 5325, the Legislative Branch Appropriations Act, 2017, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations. The resolution waives all points of order against consideration of the bill and provides that it shall be considered as read. The resolution waives all points of order against provisions in the bill for failure to comply with clause 2 of rule XXI. The resolution makes in order only those amendments printed in this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in this report. The resolution provides one motion to recommit with or without instructions.

Section 2 of the resolution provides that during consideration of H.R. 5325, section 3304 of Senate Concurrent Resolution 11 shall not apply.

## EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of the following:

- Clause 3(e)(1) of rule XIII (“Ramseyer”), requiring a committee report accompanying a bill amending or repealing statutes to show, by typographical device, parts of statute affected. The waiver is provided because the submission provided by the Committee on Appropriations was insufficient to meet the standards established by the rule in its current form. The Committee on Rules continues to work with the House Office of Legislative Counsel and committees to determine the steps necessary to comply with the updated rule;
- Section 3(d)(5) of H. Res. 5, which prohibits the consideration of a general appropriation bill, unless it includes a spending reduction account; and
- Section 306 of the Congressional Budget Act, which prohibits consideration of legislation within the jurisdiction of the Committee on the Budget unless referred to or reported by the Budget Committee.

The resolution includes a waiver of points of order against provisions in the bill for failure to comply with clause 2 of rule XXI, which prohibits unauthorized appropriations or legislative provisions in an appropriations bill. This waiver is necessary because the bill contains unauthorized appropriations and legislative provisions.

Although the resolution waives all points of order against the amendments printed in this report, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
