### H.R. 8 - North American Energy Security and Infrastructure Act of 2015

#### Conference Report to accompany S. 1177 – Student Success Act

1. Structured rule for further consideration of H.R. 8.
2. Provides no further general debate.
3. Makes in order as original text for purpose of amendment an amendment in the nature of a substitute consisting of the text of Rules Committee Print 114-36 and provides that it shall be considered as read.
4. Waives all points of order against that amendment in the nature of a substitute.
5. Makes in order only those further amendments printed in the Rules Committee report. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question.
6. Waives all points of order against the amendments printed in the report.
7. Provides one motion to recommit with or without instructions.
8. Section 2 provides for consideration of the conference report to accompany S. 1177.
9. Waives all points of order against the conference report and against its consideration.
10. Provides that the conference report shall be considered as read.
11. Provides that the previous question shall be considered as ordered without intervention of any motion except one hour of debate and one motion to recommit if applicable.
12. Debate on the conference report is divided pursuant to clause 8(d) of rule XXII.

## RESOLUTION

*Resolved*, That at any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for further consideration of the bill (H.R. 8) to modernize energy infrastructure, build a 21st century energy and manufacturing workforce, bolster America's energy security and diplomacy, and promote energy efficiency and government accountability, and for other purposes. No further general debate shall be in order. In lieu of the amendment in the nature of a substitute recommended by the Committee on Energy and Commerce now printed in the bill, it shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule an amendment in the nature of a substitute consisting of the text of Rules Committee Print 114-36. That amendment in the nature of a substitute shall be considered as read. All points of order against that amendment in the nature of a substitute are waived. No amendment to that amendment in the nature of a substitute shall be in order except those printed in the report of the Committee on Rules accompanying this resolution. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against such amendments are waived. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

Sec. 2. Upon adoption of this resolution it shall be in order to consider the conference report to accompany the bill (S. 1177) to reauthorize the Elementary and Secondary Education Act of 1965 to ensure that every child achieves. All points of order against the conference report and against its consideration are waived. The conference report shall be considered as read. The previous question shall be considered as ordered on the conference report to its adoption without intervening motion except: (1) one hour of debate; and (2) one motion to recommit if applicable.
