June 22, 2016.—Referred to the House Calendar and ordered to be printed.

MR. SESSIONS, from the Committee on Rules, submitted the following

REPORT

[To accompany H. Res. __]

The Committee on Rules, having had under consideration House Resolution ____, by a record vote of 9 to 3, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 4768, the Separation of Powers Restoration Act of 2016, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on the Judiciary. The resolution waives all points of order against consideration of the bill. The resolution makes in order as original text for the purpose of amendment the amendment in the nature of a substitute recommended by the Committee on the Judiciary now printed in the bill and provides that it shall be considered as read. The resolution waives all points of order against that amendment in the nature of a substitute. The resolution makes in order only those further amendments printed in this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all

points of order against the amendments printed in this report. The resolution provides one motion to recommit with or without instructions.

Section 2 of the resolution provides for consideration of concurrent resolutions providing for adjournment during the month of July, 2016.

Section 3 of the resolution provides that on any legislative day during the period from June 23, 2016, through July 4, 2016: the Journal of the proceedings of the previous day shall be considered as approved; and the Chair may at any time declare the House adjourned to meet at a date and time to be announced by the Chair in declaring the adjournment.

Section 4 of the resolution provides that the Speaker may appoint Members to perform the duties of the Chair for the duration of the period addressed by section 4 of the resolution as though under clause 8(a) of rule I.

Section 5 of the resolution provides that it shall be in order at any time on the legislative day of June 23, 2016, or June 24, 2016, for the Speaker to entertain motions that the House suspend the rules and that the Speaker or his designee shall consult with the Minority Leader or her designee on the designation of any matter for consideration pursuant to this section.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of clause 3(e)(1) of rule XIII ("Ramseyer"), requiring a committee report accompanying a bill amending or repealing statutes to show, by typographical device, parts of statute affected. The waiver is provided because the submission provided by the Committee on the Judiciary was insufficient to meet the standards established by the rule in its current form. The Committee on Rules continues to work with the House Office of Legislative Counsel and committees to determine the steps necessary to comply with the updated rule.

Although the resolution waives all points of order against the amendment in the nature of a substitute made in order as original text, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution waives all points of order against the amendments printed in this report, the Committee is not aware of any points of order. The waiver of all points of order prophylactic in nature.

Section 3 of the resolution includes a waiver of all points of order against consideration of a July 4th adjournment resolution. While adjournment resolutions are ordinarily privileged, a point of order could be raised against the July 4th district work period adjournment resolution for failure to comply with section 309 of the Budget Act. Section 309 prohibits the House from adjourning for more than three days in July unless the House has completed action on all appropriations bills. Since the House has not yet completed all action on appropriations bills, this provision is necessary.
